WHO CARES ABOUT TRAVEL INSURANCE?

WE DO. IN FACT IT'S EVERYTHING WE DO.

IDEAL IF YOU ARE AN INTERNATIONAL STUDENT WHO:

- Is enrolled in at least 60% of the required courses for a specific program at a Canadian school, college, university or accredited educational institution
- Is a temporary resident of Canada without any government health care coverage
- Has completed your studies and remains up to a year in Canada to work in the field of your studies
- Would like coverage under your policy for dependents living with you

WHY BUY TRAVEL INSURANCE?

When travelling outside of your home country, your government health care plans don't travel with you. Health care costs in Canada are very expensive. Hospitals can charge thousands of dollars per day, with many Canadian hospitals charging a non-resident fee to patients not covered under a government health insurance plan.

Buy International Student Travel Insurance through TIC Travel Insurance Coordinators Ltd. (TIC) to help protect you and your family from unexpected costs due to a medical emergency while you're studying in Canada. We will be there to make certain you get the care you need.

SUPPORT WHEREVER YOU GO

At TIC, travel insurance is everything we do. We have flexible, affordable insurance plans and we're 100% focused on helping you enjoy a worry-free experience while studying in Canada. If an emergency arises, you can rely on our **dedicated, knowledgeable multi-lingual service and support team** to help you get **24/7 emergency medical assistance**. Stay covered with TIC International Student Travel Insurance, and we'll be there to deliver travel protection you can trust in your moments of need.
