MFS McLean Budden

Who is MFS McLean Budden?

- MFS McLean Budden was formed in 2011 with the merger of MFS and McLean Budden
- Head office in Boston, USA, with a Canadian presence centered in Toronto
- Over \$28.4 billion in assets under management as at December 31, 2011

Investment management style

The firm's equity management style focuses on security selection to add most of the value. Companies with earnings stability, strong management teams and sound balance sheets are emphasized in their growth equity portfolios. Companies relatively undervalued with healthy balance sheets, and exhibiting a catalyst for revaluation are favoured in the firm's value equity portfolio.

Fund objective

To provide a superior real rate of return, primarily through capital appreciation, by investing in a diversified portfolio of U.S. equities. Normally, at least 75% of the Fund will be invested in companies which are included in the S&P 500 Index. Security selection will emphasize large companies with prospects for above-average earnings growth.
